We also use your Personal Information to develop new services and features that may be of interest to you.

We will not sell, exchange, rent, lease or otherwise disclose your Personal Information or Sensitive Personal Information to other third party marketers or any such persons that are not associated with the Station as Advertisers unless it is necessary to: 1) conform to regulatory and legal requirements or to comply with legal process; 2) to protect the safety and security of our users, employees, or property; 3) to defend the rights of the Site or the Station; or 4) to enforce the Terms of Use Agreement.

WEBSITE COLLECTION, USE, AND DISCLOSURE OF PERSONAL INFORMATION

Generally, you may browse this Site without providing any Personal Information. For certain activities (such as contest and sweepstakes registrations, membership, awards points and loyal listener clubs, music sampling and surveys, news/sports/weather alerts, nominations for civic or Best Teacher/Coach awards, or registration for chat rooms and message boards) the Personal Information you voluntarily provide may include your first/middle and last name, home address, business address, email address, telephone number, mobile phone/text messaging device number, birth date, gender, employer or personal preferences, depending on the activity.

Unless stated otherwise, we do not request contact information for a mobile phone, text messaging or any wireless device that includes a domain name address (such as ".net" or ".com") as part of the contact information. Federal law prohibits the sending of commercial email messages directly to a wireless device that uses a domain name, unless you have first given your affirmative consent. We may inadvertently collect a wireless device number that includes a domain name when you send us an inquiry or register for a contest or membership club. However, we will not knowingly use that contact information for sending commercial email.

We reserve the right to respond to user inquiries or requests sent via a wireless device that uses a domain name as such messages are not deemed to be commercial email and therefore, are not regulated by Federal law. However, when "computer to phone" commercial emails are prohibited by law, we may reject your wireless device contact information when such information is submitted for certain Site features or services. We will attempt to notify you if we will need new contact information.

For specific purposes (such as the purchase of goods and services) we may request a type of confidential personally identifiable information which shall be called "Sensitive Personal Information" and is defined as any individual's: (1) social security number; (2) driver's license number or state identification card number; or (3) account number, credit or debit card number, in combination with any required security code, access code or password that would permit access to an individual's financial account. This Sensitive Personal Information will only be used to implement the specific activity or event it was submitted for. We will not share your Sensitive Personal Information with Advertisers.

However, more general Personal Information will be used to implement the specific activity or event and will also be used for the marketing of additional events, services and merchandising for this Site and the Station.

DISCLOSURE TO ADVERTISERS

Advertising support allows us to offer, free of charge, many great activities and services to our users such as contests, sweepstakes and special events. Therefore,

we may also use your Personal Information for the marketing of events, products or services of our generous Advertisers. There are two ways users may receive such information from Advertisers, either indirectly via newsletters, email or direct mail from the Site, or directly from the Advertiser. We may use one or both methods depending on the activity and the Advertiser.

When we plan to share your Personal Information with Advertisers, you will receive such notice on the Site, in the rules of participation ("Rules of Participation") for the activity or event, or via an email notice. However, please be informed that our Advertisers may not have the same privacy policies that we do. Therefore, we will ask you for your consent first to receive marketing information directly from our Advertisers. You will need to check the "Opt-in" click boxes that may be located on the registration area for the particular activity or event, in an email, or notify the Site's Privacy Administrator at privacy@kearth101.com. However, if you do not wish to receive marketing or promotional materials from the Site and/or Station, you will need to tell us so by clicking the "Opt-Out" click boxes that may be included on the registration area for the particular event, or alternatively, notify the Site's Privacy Administrator. Please note that this notification process is different than the one for Advertisers.

We also provide you with an option to "Opt-out" of receiving advertising and promotional email from us in compliance with federal law by installing an Opt-out mechanism with all such email messages. You must use the designated method in the email message to notify us of your Opt-out request, as we cannot guarantee that other methods of notification will be effective or timely. Please be aware that we may continue to contact you via email for administrative or informational purposes, including follow-up messages

regarding contests you have entered or other transactions you have undertaken. By law, such messages are not considered to be commercial email.

We are not responsible for removing your Personal Information from third party lists or entities which you have previously authorized us to share your information. You will need to contact those entities directly.

COOKIES AND IMAGE TAGS

The use of cookies is an industry standard and they are currently used on most websites, including this Site. Cookies are a small text file containing a unique identification number that is transferred from a website to the hard drive of a user's computer so that the website administrator or a third party operational service provider may identify the computer and passively track the user's activities on the website. Image tags work in conjunction with cookies and are small image files that may be located on select pages of our Site, or with-in web-based email newsletters that we may send. (Image tags are also called web beacons, web bugs, clear GIFs or single-pixel GIFs.) Tracking is important because we can better understand what parts of our website are used the most, when to launch new services and how to enhance current offerings. We may share the information we receive from cookies and image tags with third-parties and our Advertisers in aggregate form, which means that such information does not contain specific Personal Information or Sensitive Personal Information about any one visitor.

In short, cookies and image tags collect a user's Internet protocols and server information. Such data files allow our Site to remember your web browser when you visit our Site and are necessary tools for quick and efficient access to membership clubs, awards programs and contests. A cookie will not allow the Site to learn any Personal Information (such as your real name and email address) or Sensitive Personal Information that you have not otherwise disclosed. Cookies and image tags allow the Site to remember important information that will make the Site easier for you to use and helpful in our administration of various activities. We do not use cookies or image tags to collect other Personal Information or Sensitive Personal Information unless you give us permission to do so.

You can choose to have your computer warn you each time a cookie or image tag is being sent, or you can choose to turn off all such devices. This is done through your browser. If you turn cookies off, you may not have access to many features at our Site that make your Internet experience more efficient and enjoyable - like the features mentioned above - and some of our other services will not function properly.

CHILDREN'S PRIVACY POLICY

Although persons of all ages may visit our Site and participate in activities that do not require the collection of Personal Information or Sensitive Personal Information, we do not knowingly or intentionally collect Personal Information or Sensitive Personal Information from children under the age of 13. Except for the limited circumstances listed below, we will automatically reject and delete the registration or entry of any person we believe in good faith to be underage. Any false or fraudulent registration or entry from a minor will be deemed to be ineligible and

will disqualify the minor from the receipt of a prize, benefit, or other participation.

Except to meet Federal Communications Commission ("FCC"), or other regulatory and legal purposes, we will not use, store, or disclose any child's Personal Information to a third party without prior parental consent.

EMAIL

We do not generally keep email correspondence, except for those emails that relate to the on-air programs or operations of K-EARTH 101 FM. As required by the FCC, if any part of your email correspondence relates to Station programming or operations, we must place such correspondence in the Station's FCC Public Inspection File, or make the correspondence available via electronic file access at the Station to anyone that requests such information. Therefore, be informed that your Personal Information or Sensitive Personal Information contained in certain emails, including Personal Information knowingly received from a child under the age of thirteen, will be disclosed to the general public. (Please see our Children's Privacy Policy section for details.) We request that you not place any Sensitive Personal Information in your email correspondence to the Station that pertains to station programming or operations. You understand and agree that we are not responsible for Sensitive Personal Information that is improperly disclosed in emails that are made available to the general public in compliance with FCC regulations.

SHOPPING & E-COMMERCE

If this Site sells goods and/or services or provides auction services we will request Sensitive Personal Information that includes your credit card, debit card or other payment information. Alternatively, the Site may use a third party operational service provider to conduct the financial transaction in a secured manner; the third party payment will be accessible via a hyperlink from the Site and will be solely responsible for all financial transactions and the collection, use, and storage of your Personal Information. The Site may request additional Personal Information such as full name, billing and shipping address, email address and telephone number and any such information that is required to fulfill your order and to communicate with you regarding your order. Sensitive Personal Information will be encrypted or collected through a secured Internet connection generally via SSL or S-HTTP protocols. Such Sensitive Personal Information will also be stored in a commercially reasonable secure manner. We may use your Personal Information, (but not your credit card or debit card number) to contact you about future products, services and discounts from the Station or to provide such information indirectly from our Advertisers, unless you tell us otherwise ("Opt-out"). We will only use your credit card and debit card number to complete the specific transaction you requested.

CHAT ROOMS, MESSAGE BOARDS AND PUBLIC AREAS

For your enjoyment and entertainment, this Site offers user interactive activities such as chat rooms, message boards, and/or public forums ("Public Areas"). We do not share any Personal Information or Sensitive Personal Information that is entered into the Public Area registration section on the Site with Advertisers.

We reserve the right, at our sole discretion, to save and archive any content of any nature posted to the Site and that we may, without liability to any user: 1) disclose such content if required to do so by law or to comply with legal processes; 2) to respond to claims that any of the content violates the property, privacy, publicity or other rights of others; or 3) to protect the rights, property or safety of the Site, the Station, its employees, users and members of the public. This Privacy Policy does not cover third party advertising or third party content that may be present on the Site. This Site may provide banner and general advertising, in addition to other content provided by our Advertisers or operational service providers. Users may from time to time purchase goods or services

offered through, or otherwise participate in or send messages concerning such advertising, promotions or third party content offered through the Site. Such correspondence, transactions and agreements are solely between the user and the Advertiser or the third party content provider and do not involve the Site. Also, Advertisers and such third party content providers may not have the same privacy policies that we do and you are encouraged to read their privacy policy first.

HYPER LINKS TO OTHER WEBSITES

This Site often provides links to third party websites that could be of interest to our users, including the websites of our Advertisers. As stated in our Terms of Use Agreement, the Station does not own or control these websites and therefore, is not responsible for the content, business practices, nor operations of such websites. Third party websites linked on this Site may have different privacy policies and business practices than we do. The presence of a link to a third party website does not constitute or imply our endorsement, recommendation, or sponsorship of the third party content, goods, or services available through, or contained on, the Site. By use of this Site, you have agreed that you will use the hyperlinks to third party sites at your own risk.

OFF-LINE COLLECTION, USE, AND DISCLOSURE OF PERSONAL INFORMATION

If Personal Information collected off-line will be used by the Station, its parent company(s), or corporate affiliates for promotional and marketing purposes, you will have the opportunity to Opt-out of such use. If such information will be shared with Advertisers, you will have the same rights as provided for the disclosure of Personal Information collected online. (Please see the "Website Collection, Use, and Disclosure of Personal Information" section.)

SECURITY MEASURES

We conduct the collection, management, maintenance and storage of listener or website user information in a secure and commercially reasonable manner using acceptable industry standards of security technology and practices (such as electronic security systems and password protections) to protect against the loss, misuse or alteration of Personal Information. We also request that our operational service providers take such precautions. K-EARTH 101 FM databases are accessible only by authorized personnel.

However, please note that when users transmit Personal Information over an unsecured Internet connection, the Site is not responsible for the security of that information during the transmission stage as your email or registration could be copied or intercepted by unknown third parties. We use a secured connection only for the collection of Sensitive Personal Information, which is necessary for the purchase of goods or services, but we do not use a secured connection for other types of activities. Therefore, you understand, acknowledge, and agree that you transmit certain Personal Information over this Site at your own risk.
